

We help designers and manufacturers

- Reduce design cycle time
- Minimize customer product returns
- Maximize product yields

Failure Analysis Materials Analysis Reliability Testing Teardown Analysis

Hello everyone. As spring has arrived and summer is nearly upon us, we would like to bring a great 2-day conference to your attention:

The [SMTA International Conference for Electronics Hardware Enabling Technologies](#), to be held June 14 and 15 at the Centennial College in Toronto in conjunction with an [EPTECH trade show](#).

MuAnalysis is sponsoring Dr. Peter Jacob who will deliver the key note address **"Early Life Failures in Automotive Electronics and Their Root Causes"** and a Professional Development course **"Electrostatic Discharge in Robotic Manufacturing Lines: Electrostatic Basics, ESD-Failure Mechanisms and Tool Risk Evaluation Methods"**.

Dr. Jacob has authored more than 80 contributed and invited papers including ESREF and ISTFA Best or Outstanding Papers. Please register soon, you do not want to miss the opportunity to listen to these great presentations.

If you wish to unsubscribe, please reply to this email with Unsubscribe in the subject line.

Bonjour à tous. Maintenant que le printemps est arrivé et que l'été est presque à nos portes, nous voulons attirer votre attention sur une excellente conférence de 2 jours : La [SMTA International Conference for Electronics Hardware Enabling Technologies](#), qui aura lieu les 14 et 15 juin prochain au Collège Centennial à Toronto en conjonction avec un salon professionnel [EPTECH](#).

MuAnalysis parraine le Dr Peter Jacob qui prononcera la conférence invitée **"Early Life Failures in Automotive Electronics and Their Root Causes"** et donnera aussi un cours de développement professionnel **"Electrostatic Discharge in Robotic Manufacturing Lines: Electrostatic Basics, ESD-Failure Mechanisms and Tool Risk Evaluation Methods"**.

Le dossier de publication du Dr Jacob compte plus de 80 articles y compris des «Best or Outstanding Papers» à ESREF et à ISTFA. Ne tardez pas à vous inscrire, vous ne voulez pas manquer l'occasion de venir entendre ces superbes présentations.
